

LANGUAGE SCHOOLS

Hello,

Anatolian Language and Culture Centers will organize 'Language School Programs' in order to teach Turkish Language and introduce Turkish history.

Language schools programs will be planned in all the periods of the year and they will be organized based on the expectations of the participants. As Anatolian Language and Culture Centers, we want to collect relevant information in order to shape the programs based on the expectations.

If you want to organize language school programs for your students and want to collaborate with us, please fill in the form below and send it to us until January 15, 2013.

Note: If you don't request language school program, please answer to this message saying 'We do not want to participate in Language School Programs'.
